

RIGHTS DEFENDERS
PROMOTE. PROTECT. DEFEND.

What is a Human Rights Defender?

Split into 2 or 3 teams – take a hot air balloon template each

	<p>Young Human Rights Defenders</p>	<p>Give names, ages and descriptions to the people in the balloon – Who are they? Draw more if you want</p>
	<p>Basket Name Plate</p>	<p>Write a human rights issue (that they are trying to defend) onto the basket</p>
	<p>Who else needs to be on board?</p>	<p>...to support the Human Rights Defenders? Add them to the balloon itself</p>
	<p>What is holding them back?</p>	<p>On the ropes write the things that are preventing these rights from being met / what the risks are</p>
	<p>What might blow it off course?</p>	<p>At each side of the balloon write down the challenges and barriers?</p>
	<p>What will help them fly?</p>	<p>In the clouds write the things that will help the Human Rights Defenders succeed?</p>
	<p>Important things to remember</p>	<p>In the sign on the ground, write down advice you would give to others about to start their own journey?</p>
